

On Tuesday 21st of March, 2023 at 12:00 UTC a Governance Snapshot was completed on the Realms Dean's List DAO. The snapshot determined the distribution of our new interim governance token.

~~Phase 1: Pre-snapshot: Cut-off 21/3/23 12:00 UTC~~

~~Have your \$DEAN deposited in the Deans List Realms DAO before the snapshot time. (<https://app.realms.today/dao/Dean's%20List>)~~

~~The amount of \$DEAN at the time of the snapshot will determine the maximum amount of Interim tokens each member will receive.~~

~~Allocation will be 1:1~~

Phase 2: Post-snapshot: You have 48 hours to execute the instructions below (21/3/23 12:01 - 23/3/23 12:00 UTC)

1. Withdraw all your \$DEAN from the Realms Dean's List DAO
2. Send all the \$DEAN you wish to exchange to the Squads multisig wallet controlled by the hardcore members:

You can make the deposit here

or send directly here

Make sure to only send WHOLE NUMBERS. Any decimal amounts should be unwrapped by yourself on Strata.

The **maximum amount** you will receive in the end will match the number of deposited \$DEAN in governance at the time of the snapshot.

You have by 23/3/2023 to deposit your DEAN into the Squads multisig wallet!

Phase 3: From 23/3/23 12:01 UTC and onwards

The new interim token and the unwrapped grape will be airdropped to the SPL address that interacted with the squads multisig wallet.

Deposit the new token to the new [Dean's List Realms DAO](#) and participate.
